At the company's Annual General Meeting on 12 May 2016, the General Meeting approved a option program for management comprising in total 600,000 shares over two years. 12. Authorisation to acquire treasury shares

Pursuant to sections 9-2 et seq. of the Norwegian Public Limited Companies Act, the company may, on further specified terms, acquire treasury shares within a maximum limit of 10% of the share capital. Such acquisition can only take place if the General Meeting, with a majority as for amendments to the Articles of Association, has granted the Board of Directors an authorisation to do so, and such authorisation has been registered in the Norwegian Register of Business Enterprises. Such authorisation was granted at the company's Annual General Meeting held on 12 May 2016.

The Board of Directors proposes that the General Meeting extend the current authorisation to acquire treasury shares, however adjusted to reflect 10% of the new number of shares in the company, through the following resolution:

"The General Meeting grants the Board of Directors an authorisation to acquire shares in NRC Group ASA for up to a maximum nominal value of NOK 3,875,335.00. The Board of Directors' acquisition of shares pursuant to the authorisation can only take place between a minimum price of NOK 1 and a highest price of NOK 100 per share. The authorisation applies from registration in the Norwegian Register of Business Enterprises and up until the Annual General Meeting in the spring of 2018, but not later than 30 June 2018. Acquisitions and disposals of treasury shares can take place in the manner found appropriate by the Board of Directors."

As of 11 April 2017, the company holds 168,165 treasury shares, equal to approximately 0.43% of the total number of outstanding shares.

13. Authorisation to increase the share in connection with issuance of new shares

At the company's Annual General Meeting held on 12 May 2016, the Board of Directors was granted an authorisation to increase the company's share capital within a maximum limit of approximately 20% of the share capital. The object of the authorisation is to give the Board of Directors financial flexibility in connection with any acquisitions or similar transactions, share issuances pursuant to bonus programs for employees, and to be able to strengthen the company's equity in general.

In order to exercise the authorisation in the best possible manner commercially, it may be relevant in certain situations to make a private offering of shares to certain named persons and/or enterprises. The Board of Directors therefore requests that the authorisation provides the possibility to waive the shareholders' pre-emptive rights.

Based on the above, the Board of Directors proposes that the General Meeting renews the Authorisation, however adjusted to reflect 20% of the new amount of shares in the company, through the following resolution:

- a) *The Board of Directors shall be granted an authorisation to increase the share capital by a maximum of NOK 7,750,000. The subscription price and other subscription terms is determined by the Board of Directors.*
- b) *The capital increase may be paid in cash, by set-off or by contributions in assets other than money. The authorisation includes the right to incur special obligations on behalf of the company, cf Section 10-2 of the Norwegian Public Limited Companies Act.*
- c) *The shareholders' pre-emptive rights pursuant to Section 10-4 of the Norwegian Public Limited Companies Act may be waived by the Board of Directors, cf Section 10-5 of the Norwegian Public Limited Companies Act*
- d) *The authorisation shall include decisions on merger, cf Section 13-5 of the Norwegian Public Limited Companies Act.*
- e) *The authorisation is valid from registration with the Register of Business Enterprises until the Annual General Meeting in the spring of 2018, but not later than 30 June 2018, and includes the right to change the company's Articles of Association in connection with the share capital increase.*

The Board of Directors is of the opinion that this must be reflected in the company's Articles of Association.

On this background, the Board of Directors propose that § 2 of the company's Articles of Association is amended to read as follows:

The Company's registered share capital is NOK 39,529,212.00 divided into 39,529,212 shares, each with a par value of NOK 1.00. The company holds 168,165 treasury shares.
